Sight Restored, Life Changed

Journal by [Kihomi Ngwemi](#), [Nzunga Mabudiga](#) September 19, 2017

Dear Loved Ones,

Greeting. Let me invite you to rejoice with Ms. Willemine from North Eastern Haiti. Willemine is 22 years old and lost her left eye in car accident when she was a young girl. For the last five years, the cataract has blinded her right eye. She was unable to see the exact face of her child. She came to our eye clinic where she was operated on. Even though with just one part of her eye, Ms. Willemine can see her child and the rest of her family members.

Willemine will no longer stand at the beautiful gate of the temple as the crippled man did, but she is now jumping in joy, ready to join the crowd in the temple. All this is possible because you care.

Thank you for your support of the eye clinic ministries.

Serving the Master in Haiti,
Nzunga & Kihomi

Thank You!

Thanks to all who participated in the youth car wash last Saturday. Nine hard-working lads raised over \$300 for their soccer team who will enter a tournament later in October.

We are happy to welcome Rev. Daphne Braswell as our preacher this Sunday, October 1. I will be away at the Parkade Baptist Church in Columbia where I will speak at the 60th anniversary of this good church. They began in 1957 just like Grace Baptist Church. The Parkade stop will be the last on a week of contacts hosting Dr. Solomon Rongpi from India. I will miss you and pray for you as we celebrate World Communion Day at Grace.

Please pray for our Karen Youth Team that will be doing their award winning dance for the JOY Presbyterian Church on World Communion Day.
