DIACONATE PROPOSES PARKING LOT RENOVATIONS

At the Monday meeting of the Grace Baptist Diaconate, a motion was unanimously approved to recommend a major investment in the properties of Grace Baptist Church. Property Committee Chairman Roger McKee has spent the last 6 weeks reviewing bids to save the parking lot from further deterioration.

A special church business meeting has been called for Sunday, October 22, where a vote will be taken to transfer funds from the general accounts into the property fund. This transfer of about \$38,000 will make up for four years that the church was not able to contribute to the property fund. Our financial picture has changed and the congregation no longer has to endure deferred maintenance.

If the transfer is approved, the congregation to hear and vote on a motion to put a two inch layer of new asphalt surface over the entire parking lot. Timing is important in that asphalt cannot be spread in cold weather. Funds are available and no debt will be incurred.

Your attendance is encouraged to hear this motion and review the research of the Property Committee. Plan to stay after worship on October 22 for this important decision about the future of our church.

Jerry Cain, Pastor
