Home Mission Societies May 2-4, 2019

I wish to encourage your participation in the Action Network Gathering of the Home Mission Societies which will meet at William Jewell College May 2-4, 2019. Rather than hold a national gathering at Green Lake, the ABHMS is decentralizing its training opportunities and bringing its services to regional gatherings on the road. Next week they will be in Clay County at William Jewell and, since we are the only American Baptist church in Clay County, I hope we will be well represented.

The Thursday event on May 2 is an opportunity to allow current and new ministry leaders to engage existing research and expertise plus explore innovative resources and funding through ABHMS. This event runs from 8:30 a.m. to 4:30 p.m. on the Jewell campus.

Friday and Saturday are specific training sessions led by seasoned experts who can help with your leadership role or ministry emphasis. Topics are:

- Encountering the Unexpected: Ministry on the Frontlines
- Co-Creators & Missional Entrepreneurs: Innovative Models of Ministry for a New Generation
- Innovative Models – Models of Church, Faith Formation, Evangelism
- Amplifying the Voices Transformational Community Leadership

I have funding available for 6 participants who will commit to helping Grace Baptist Church grow and meet the needs of our local community. Beth will help you register if you will call her before May 1 or check abhms.org. I am eager to represent our congregation and hope you will join me in the local, reasonable and affordable training opportunity.

Dear Friends,

What a joy it is to be able to move back to our renovated building! We love the changes that are done to the building and the added garage gives us space to park three vans and a good size space for storage. We now have improved and better classrooms, office space, food pantry, parking, doors and windows that are energy efficient, and a new children's playground. The new driveway makes loading and unloading safer for program participants and everyone is happy. Our renovated building looks great and we are very grateful to all of you for the sacrifices you have made for us to offer Hope through our programs/services in such a beautiful building. Thank you for your continued support and generosity. We cannot wait to see how God will use this renovated building in the days to come.

Please do keep us in your prayers as we are planning to celebrate Bethel Center's 108th Birthday and have a Grand Opening in the near future. Please pray for the much needed Certificate of Occupancy to resume all our programs and services soon. We are thrilled moving back to our building and we are asking God to lead us to do ministries that will proclaim the gospel of love, peace, faith, and hope.

Rev. Mang Sonna, Executive Director
Bethel Neighborhood Center

Our *Christian Love and Sympathy* is expressed to Ina May Fakhoury upon the death of her sister, Nita Geir. Please remember Ina May and her family in your prayers. Cards and notes may be sent to:
