SUMMER SUNDAY SCHOOL

Since most of our teachers are away from town this weekend, I look forward to teaching a union Sunday School that includes the Young Adult Class, Parables Class and Builders Class all in one. We will meet in the Narthex and cover the material in Acts 2 related to the coming of the Holy Spirit as reported by Luke. I hope you will be present.

But, our Summer Sunday School will take a different look beginning on June 16 when there will be only two Sunday classes through June, July and August. Vangie Webb and Bill Turnage will continue to lead the Parables Class and teach the lessons outlined in our traditional Connections Bible Study materials published by Smyth and Helwys.

The other two classes will meet together in the narthex and study *The Book of James: Faith/Works* by Matt Chandler. This will be a video based study based on Chandler's understanding that faith and works are not enemies but friends. James teaches that faith apart from works can never be sustained. A textbook will accompany this class to guide in discussion and deeper study. Martha Carter will facilitate this class assisted by Dennis Farabee and Robert Lee.

This is a good opportunity for a change of pace and I hope you will take advantage of this summer to go deeper in God's word whether in the Parables Class or in the James study.

SUMMER SUNDAYS

Tom Spriggel did a good job leading us into worship this past Sunday and set the bar high for the rest of the summer. We are glad to welcome him as our Summer Music Intern and look forward to enhanced worship experiences through these next three months.

SUMMER ACTIVITIES

The first of our summer activities is calendared for June 14 and I hope it is on your calendar. Rather than invest our summer energies in one week of VBS, we decided to invest those energies in 5 special events throughout the summer. Join us for games and cookout on Friday as we celebrate our fellowship and sunshine.

We're Celebrating 205 Years of Global Ministry!

Greetings in the name of our risen Lord and Savior Jesus Christ! May 21, 2019 marked an important anniversary for International Ministries (IM). On this date, we celebrated 205 years of God's amazing provision and faithfulness!

For over two centuries, through your generosity and stewardship, God has made it possible for IM and our global servants to respond to God's call to cross cultural ministry. When we pause to think about it, we are humbled to be carrying on this rich American Baptist heritage that continues to be so vibrant today.

However, it is also daunting to face the increasing costs of preparing and sending the next generation of global servants into cross cultural mission. *As we celebrate the anniversary of more than 200 years of responding to God's call, we invite you to grow with IM into the next century of global ministry.*

Our prayer is that you would consider growing your support for IM's global servants in one of two ways:

First, you are invited to increase your current giving to an IM global servant by 205%. For example, if you currently provide \$200 in monthly support for a global servant, a 205% anniversary increase would be \$410 of monthly ongoing support.

Second, we recognize you may already be giving as much as you are able on a regular basis. Would you be willing to make a one time anniversary gift?

As you may have heard, Missionary Support Services (MSS) costs have continued to increase, but IM has held this amount steady for the past 18 years. But the time has come to increase the amount global servants raise to offset a portion of those costs associated with keeping IM global servants in ministry. This is a necessary first step to preserving IM's 200+ year legacy for future generations. *Help your global servant achieve 100% of their goal more quickly!*

As personalized support goals increase, your 205th anniversary gift can be a turning point in helping your global servant fulfill their ministry and calling with the joy of knowing that they are supported today and into the future.

I am delighted to be serving with global servants who are truly remarkable in their faith and commitment to their calling. Thank you for your prayers and gifts; you play a major role in changing many lives and winning many hearts for Jesus. For that, I am deeply grateful to you. Your partnership with IM and our global servants is touching lives every day.

I will continue to pray for you. I hope you will do the same for IM and IM's global servants, as together we work towards the kingdom on earth as it is in heaven. (Matthew 6:10)

Gratefully,
Sharon Koh
