COVID GRACE NOTES MAY 28, 2020

When Shall We Open? Survey

Care Group Leaders are calling GBC church members this week to ask the following four questions to determine if we shall have in-person services on **June 14**. This is an attempt from the diaconate to gauge the coronavirus anxiety of our membership.

Please respond and share your concerns remembering that God has placed us in Kansas City and Clay County, Missouri. Our congregation is elderly. The deacons are shepherds of our congregation and the shepherd is charged with the safety of the flock. Please express your guidance when your care team leader calls with these questions.

1. If we were to re-open the church with a worship service only on **June 14th**, would you plan to attend?
2. If not June 14th, when would you be comfortable returning to the worship service?
3. Are you okay wearing a face mask while in the church?
4. Do you think we should continue providing online video of the worship service after in-person worship restarts at the church?

NARTHEX NEWS

(Items we would talk about should we be meeting in the Narthex on Sunday.)

From Mark Grant in Springfield: *Had been promised I could worship with Grace in the activity room 2 day. Wish others here could have participated in the outstanding service. Thanks for making it happen.*

From Dr. Charles Hedrick: *Things that struck me (Looking into the head of a member of your audience in the service on the 24th): We were early for the service at 11 that started at 1:00 pm (not to worry we ate lunch). Thank you for the Memorial Day moment at the beginning of the service. I found it very moving. Whoever sang the song through the Memorial Day moment (I guessed David or Rick) did a great job! Although you did not title your sermon, it might have been titled "how to shine as lights in the world." (The vocalist was our own Rick Webb.)*

From Charlotte Hyatt: *"BTW if your membership is looking for employment, Maximus.com is a good place to keep in touch with. They are government contractors that help the public with government agencies. We are required to wear a mask. You have to work 90 days before benefits kick in but they are good too. Remember to say Charlotte Hyatt referred you on the application."*

If you would like to order the community fruit/vegetable boxes, please contact Carolyn 679-3778 or Jean 810-5519 by Thursday morning. We order Friday at 8:00 a.m. and pick up and deliver Monday Morning. The cost is \$20. Thanks!
