Challenge To Humanity Update from Garmai Wilson

As many will remember, in 2019 Grace Baptist Church supported Garmai's mission project in Nyeakai Bong County Liberia to build a school for the villagers. There was no school for these children in this area. Garmai was working hard with her own money to obtain supplies to build this school. She worked with the villagers to organize workers and with the government to ensure they would supply teachers.

Grace Baptist Church worked to raise over \$3,000 and shipped 5 barrels of school supplies, uniforms, backpacks, and shoes for these children. Garmai reports that a 5-room school was completed for these families. Since that time, they have established clean drinking water and are currently working to obtain the materials for a restroom.

The school was built, the teachers were assigned, and the school was dedicated on January 11, 2020 with 75 children ready to learn. Then Covid-19 came and the school was closed in May, 2020. On January 4, 2021, the school opened again.

Garmai has endured some surgeries on her hands this past year and has been unable to work since June 2020. However, this has not deterred her dedication and commitment to this mission project in Nyeakai. Through the love and support of family and friends, she was able to send monies to buy rice, salt, soap, and buckets (water) for 76 families in the village. She sent \$350 this month to supply 100# bags of sugar, milk, cornmeal, and oatmeal to ensure each child will have breakfast before school for the next 2 months.

God was definitely in this project as was Grace Baptist Church! Thank you for all you've done to support this mission project in Nyeakai. Through generosity, Children are learning!

2 Corinthians 9:11 You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God.

NARTHEX NEWS

(Items we would talk about should we be meeting in the Narthex on Sunday.)

I enjoy immensely the recordings of each worship service (recorded) of Grace Baptist Church. They touch me a lot even though I am not able to attend in person. I look forward to getting back, perhaps as early as sometime next month. Again, thanks.

In Christ, Lyle W. Lee
